

Weatherization First

Homeowner Waiver

Weatherization First, a project of Pennsylvania Interfaith Power & Light, organizes volunteers from Centre County to help weatherize homes. By working together, we can save money on heating and cooling costs and reduce dangerous greenhouse gas emissions that are leading to disruptive climate change.

Although the volunteers have experience in carrying out this type of work, they are not professionals and may make mistakes. The chances of damage are slim, but in the case of an accident, your signature on this waiver simply states that you will not hold Pennsylvania Interfaith Power & Light, its officers, members, or volunteers liable for any damages that may occur. Your signature also indicates that you will not hold any congregation or organization to which the volunteers belong liable for any damages that may occur.

Name of Homeowner or resident _____

Address: _____

Date _____

Signature of Homeowner or resident _____

Witness Signature _____
